

Smashing Time Web Design

Description:

Why choose Smashing Time?

1. Incredible search engine listings for their website - at no extra cost
2. Clients get the website they want and the website they need
3. Security of comprehensive fixed price contracts - no hidden costs or nasty surprises
4. Our guarantee that every project will be delivered on time
5. Our experience and professionalism - we've been in business for 15 years
6. Our creative, innovative approach - we always go the 'extra mile' to make each project a success
7. Our friendly, 'jargon-free' communication - clients always work with the same contact during a project
8. We're flexible enough to apply changes during the project at no extra cost
9. No client is "locked into" Smashing Time technology or hosting - short or long term
10. Our guarantee to fix 'live' website errors for free
